Pastor Benjamin (Bent) Altschul of Great Among The Nations Reports Maximum Impact Mission Work in Europe

Setting the pace for evangelical missionary work in France, Denmark, Austria and the Czech Republic; founder of Great Among The Nations Christian ministry, Pastor Bent Altschul, reports the Holy Spirit's powerful and illuminating work in God's people as he returns from three months of intense ministry service among Christian leaders, pastors and churches.

LOS ANGELES, California, USA, July 14, 2015 /Christian Newswire/ -- Amidst the rising social shift of evangelical movements found in America and spreading throughout Europe, Pastor Altschul functions on the vanguard of spiritual renewal and revival for God's people. Pastor Altschul confronts the task with two powerful gifts: by expounding prophetic teachings and an interactive dialogue ministry.

Pastor Altschul is known among European leaders as, "A man with a heart for God, proclaiming the coming of Jesus for His Bride." One of the foremost German leaders in the growing Pentecostal movements stated, "As Pastor Altschul ministers to individuals we see God's revival unfolding in the hearts of men. The Lord delivered both healing and the prophetic word of this present time we live in."

According to Altschul, "Many people are called by God to seriously reflect and consider what the Lord is saying to them."

Pastor Altschul clearly does his part staying faithful to the true authority of the Bible by speaking God's Word as it was done in the Book of Acts and the ancient epistles. According to Altschul, "While I am involved in ministering, I see the Holy Spirit at work restoring God's people, one by one; it is a majestic pronouncement with respect to the near coming of the rapture of the church. I am very privileged to be in service to the God who called
